Brenda A. Schumann, PhD, University Registrar

THE UNIVERSITY OF TEXAS AT AUSTIN
Office of the Registrar

SEMESTERS, SESSIONS, AND TERMS: An academic year consists of consecutive fall and spring semesters and the following summer session. A semester normally is about sixteen weeks long. The summer session comprises a first term (f) and a second term (s) each six weeks in duration; work also is offered on a nine-week basis (n) and a whole-session or twelve-week basis (w). The same academic credit is given for a course whether it is taken in the long session or the summer session.

ACADEMIC CREDIT: The unit of measure for academic credit is the semester hour. Most courses meet three hours a week in the long-session semester and have a credit value of three semester hours. The same courses meet for seven and one-half hours a week in a six-week summer term and have a credit value of three semester hours. For students enrolled in graduate programs, GPA hours and hours-passed reflect only those graduate-level courses (excluding thesis, dissertation, report, and treatise) and certain in-residence upper-division undergraduate courses taken while the student was enrolled in the Graduate School. Upper-division undergraduate courses taken in the fall of 1999 through the summer session of 2008 are not included.

COURSE NUMBERING SYSTEM: Courses are designated by a three-digit number or a three-digit number with a capital letter affixed. The first digit in the course number indicates the value of the course: 001-099 indicates zero credit value; 101-199 indicates one semester hour credit; 201-299 indicates two semester hours credit; 301-399 indicates three semester hours credit; and so on. The last two digits indicate the rank of the course: 01-19 indicates lower-division rank; 20-79 indicates upper-division rank; and 80-99 indicates graduate rank.

All courses in the School of Law and some courses in the College of Pharmacy are considered professional rank.

Two courses with the same abbreviation and the same last two digits may not both be counted for credit by a student unless the two digits are followed by a capital letter. Some courses may be repeated for credit. Those courses are indicated in the University's catalogs.

PREFIXES AND SUFFIXES: The suffix letters A, B, and X, Y, Z indicate that a part of the course was given. A suffix of A or B divides the course into two parts; X, Y, or Z divides the course into three parts. In each case, the semester-hour credit given for the course is reduced accordingly.

The prefix letters f, s, n, and w indicate the terms of the summer session (see above) in which the course was offered: f indicates first term; s indicates second term; n indicates nine-week session; and w indicates whole session.

For grading systems used prior to 1979, contact the Office of the Registrar.

Through the summer session of 2009, plus and minus grades are reserved for graduate, graduate business, and law students enrolled in graduate-level, non-law courses. Beginning fall of 2009, plus and minus grades are valid for all students.

A course dropped by the twelfth class day of a long-session semester (fourth class day of a summer session term) is not entered on the permanent academic record.
Prior to fall 1981, NC grades did not appear on the transcript.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

Notices and disclosures about using DocuSign will be sent to you electronically

Please read the information below carefully and thoroughly. If you agree to these terms and conditions of conducting DocuSign electronic transactions with The University of Texas at Austin (we, us, or company), confirm your agreement by checking the box “I agree to use electronic records and signatures” on the DocuSign signing interface. Contact rms@austin.utexas.edu if you cannot access the full Electronic Record and Signature Disclosure document to your satisfaction.

You have the right to decline to conduct this transaction electronically. If you elect to decline to conduct this transaction electronically, contact the sender of the document by replying to the email you received from dse@docuSign.net and work with the sender to complete and sign your documents outside of DocuSign. Refer to the section “Withdrawing Your Consent” below for further information about declining to conduct this transaction electronically.

Unless you tell us otherwise in accordance with the procedures described herein, once you have agreed to use electronic records and signatures, we will provide required notifications and disclosures via secure link sent to the email you have provided us.

Copies of documents signed via DocuSign

You can view, download an electronic copy, or print a paper copy of any completed document that you have DocuSigned to transact business with The University of Texas at Austin by using the document link in your DocuSign notification.

The option to directly obtain copies of your completed DocuSign document from the link in the notification email is available for at least 14 days after the notification of completion date. If you need a copy of your DocuSigned document and you can no longer directly access it, you must contact the sender or university department listed as the sender from your DocuSign notification email. Documents will be available from the sender for at least as long as the period required in the University Records Retention Schedule. Charges, if any, for copies will be billed at that time.

[Note that transcript purchases using DocuSign as a method of secure delivery are not electronic signature transactions..]

-

Withdrawing your consent

If you agree to receive notices, disclosures, and documents from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices, disclosures, and documents only in email attachment or paper format. (Please note some transactions may not be conducted via email due to security requirements.) You must inform us of your decision to receive future notices, disclosures, or documents in email attachment or paper

format and withdraw your consent to receive notices, disclosures, and documents electronically as described below.

To withdraw your consent with University of Texas at Austin

We do not need any other information from you to withdraw consent. After withdrawing your consent, you can in the future once again agree to do electronic business with us.

Consequences of withdrawing your consent

If you elect to receive required notices, disclosures, and documents only in email attachment or paper format, it will slow the speed at which we can complete certain steps in transactions with you and in delivering services to you because we will need first to send the required notices, disclosures, or documents to you in email attachment or paper format, and then wait until we receive back from you your acknowledgment of your receipt of such email attachment or paper notices or disclosures.
